Offerors are required to submit a Bid Price/Best Value proposal for this contract. Contract award will be based on a determination of which proposal constitutes the best value to the Government. Proposals will be submitted in two parts and will include a Technical and a Price Proposal. Details on what to include in the proposals are stated in the Offer Form. Award will be made to the offeror whose offer is both technically acceptable and whose technical/price relationship is the most advantageous to the Government. The Government may, when in its interest, reject any or all offers or waive any informality in offers received. A written award mailed, or otherwise furnished to the successful offeror, shall be deemed to result in a binding contract without further action by either party.

**PRE-OFFER MEETING:** A pre-offer conference will be held for prospective offerors at 10:00 am local time on Wednesday, January 7, 2015 at the Mt Adams Ranger District, 2455 Highway 141, Trout Lake, WA. The purpose of the meeting is to go through the Integrated Resource Timber Contract, explain the Best Value award process and requirements for both the price and technical proposals, and explain/review the requirements of the stewardship restoration projects.

Parties submitting a technical proposal are to use the Region 6 Technical Proposal Template for the Integrated Resource Timber Contract in responding to included evaluation criteria.

Offerors must submit a proposal that meets all requirements specified in the sample contract. Alternate proposals will also be accepted.

If you wish further information on this contract, the prospectus, offer form, and the restorative service project, please write or call the Gifford Pinchot National Forest Headquarters, 10600 NE 51st Circle, Vancouver, WA 98682, (360-891-5001) or visit the Forest webpage at <http://www.fs.usda.gov/giffordpinchot/>.

Sincerely,
